## Lands Manager

### Job Duties/Responsibilities

Performs a variety of land management practices for grasslands, forests, and wetlands; assists Park District Director with planning and implementing short and long-term management goals with various habitat management techniques (controlled burning, tree cutting, manual removal, chemical application, plantings, mowing, invasive species control); evaluates habitat using aerial photographs, maps, global satellite imagery, cover maps, and soil maps; performs grounds maintenance of all Park District properties (e.g., mowing and trimming grass, trash removal, erect signs, trail maintenance, building maintenance); maintains vehicles and equipment (e.g., trucks, trailers, tractors, mowers, chainsaws, various hand tools); performs carpentry and light plumbing and electrical maintenance.

Answers inquiries from the public; assists in educational programming; plans and coordinates staff and volunteer work crews; other duties as assigned by the Director.

### Knowledge of:

Ohio's natural history; natural sciences (botany, zoology, ecology, biology, geology); land and wildlife management; maintenance and operation of trucks, trailers, tractors, mowers, chainsaws, power and hand tools, sprayers; safety practices (e.g., chemical and pesticide applications, use of personal protective equipment).

### Skilled in:

Word Processing (Microsoft products); equipment operation (e.g., personal computer, audio visual equipment, general office equipment, hand and power tools, mowers, tractors, chainsaws).

### Ability to:

Deal with a variety of variables; maintain accurate records; calculate whole numbers, fractions, decimals, and percentages; read and interpret technical/natural history books, journals, and manuals; gather and classify information; demonstrate physical fitness (e.g., walk on uneven terrain, walk long distance, lift heavy items); work independently (e.g., prioritize and manage time sensitive duties); safely work in unfavorable conditions (cold, rain, snow).

### Compensation

- \$14.00-\$15.00/hour, based on experience
- Health Insurance, 85/15% (employer/employee)
- Participation in Ohio Public Employees Retirement System
- Sick leave
- Vacation
- Paid Holidays

(continued on next page)

**Minimum Qualifications**

- 2 or 4-year degree in Natural Resource Related field, and/or 4 or more years' experience in a Natural Resource related field
- Valid Ohio driver's license
- Submit to a background check and drug screen
